

This Advanced Fetal Monitoring course expands on the knowledge and physiological principles presented in the AWHONN Intermediate Fetal Monitoring course. This course uses a case-study approach to focus on the analysis of maternal-fetal physiology related to complex clinical information and fetal heart rate tracings. The course emphasizes the physiology of fetal-maternal oxygenation, the interpretation of tracings, the selection of clinical interventions and perinatal risk-management principles.

Learning Outcomes:

- Describe the physiologic principles of maternal fetal oxygen transfer as they apply to principles of fetal heart monitoring.
- Appraise fetal response to maternal pathological and physiological adaptations during the labor process
- Analyze complex case studies and tracings using standardized terminology.
- Apply perinatal risk management principles, communication techniques, and documentation strategies to complex and challenging patient care scenarios.

Nursing Contact Hours/CME Credit:

7 nursing contact hours/7 CME credit available through January 31, 2025 (.75 hours may be used towards pharmacology hours.)

Course Format:

In-Person

Online

- An optional knowledge integration test is available. Nursing contact hours/CME credit will be awarded after the online evaluation is completed and is required to receive nursing contact hours/CME credit for the course. Eight-hour day includes breaks and lunch.

Cost:

- **AWHONN Registration Fee-\$110.00** Advanced Student Materials with scratch-off coding to access online knowledge integration test, is included with the purchase of materials through Kendall Hunt. Course ID number is required with purchase.

- Current AWHONN Fetal Heart Monitoring Principles & Practice Textbook if you don't have access to the textbook (\$76.96 print or \$64.95 eBook).

Course Date: **March 7, 2024**

Course Time: **8:00am-5:00 pm**

Course Location: **Virtual through Zoom Link**

Contact: *Cheryl J Washington*, EdD, MEd, BSN, RNC-OB, C-EFM

Check availability to attend the course. (Instructions on purchasing the student materials will be provided after confirmation of attendance is approved.)

Instructor Fee: **\$250.00** (Enjoy a 50% discount upon registration)

Registration/Payment Deadline: February 15, 2024

Additional information: **Order workbooks ASAP!**

Submit Registration Fees/Payment To: Go! Educational Services LLC through Eventbrite link.
